students get the challenge and extension they need to achieve their best in the Cambridge IGCSE. This course matches the framework and will rigorously prepare students for the strongest achievement at Checkpoint level and beyond.

Build a firm foundation for success in the Cambridge Checkpoint tests, and ensure your students get the challenge and extension they need to achieve their best in the Cambridge IGCSE. This course matches the new framework and will rigorously prepare students for the strongest achievement at Checkpoint level and beyond.

Written by experienced examiners to comprehensively cover the revised Cambridge Lower Secondary curriculum, this course will thoroughly prepare your students to excel in the Checkpoint test and offers rigorous challenge that will give students a flying start in the Cambridge IGCSE. With a methodical and logical approach that matches the new framework, carefully developed exercises will really stretch students while the sheer volume of practice will reinforce understanding. Complete Mathematics is the new name for Oxford International Maths.

Ensure your students achieve their absolute best in the Cambridge Checkpoint test and set them up for a flying start at Cambridge IGCSE. These Homework Books will ensure there are no gaps in students' knowledge, and are bursting with extra practice that will set them up to succeed.

The Cambridge Lower Secondary Complete Mathematics 7 Student Book ensures students fully cover and excel in the curriculum, as well as embedding the learning they need to progress smoothly towards IGCSE® Mathematics. This resource provides a rigorous approach for teaching and studying Cambridge Lower Secondary Maths to ensure students learn everything that is required at that level. However, stretching materials and exercises also prepare students for a smooth transition to IGCSE Mathematics by supporting the development of required skills. It is written by the expert author of our previous, best-selling edition and maintains the strengths of the original book, but with updates and improvements to better meet students' and teachers' needs. The Student Book is supported by a Homework Book that provides opportunities for independent practice inside and outside the classroom, and a Teacher Handbook, which offers full teaching support.

Build a strong foundation for success in the Cambridge Checkpoint tests, and ensure your students get the challenge and extension they need to achieve their best in the Cambridge IGCSE. This course matches the new framework and will rigorously prepare students for the strongest achievement at Checkpoint level and beyond.
