In addition, teachers who are not trained in teaching creole-speaking children may not recognise these difficulties. This paper explores some of these issues in the Australian context with reference to home languages such as Kriol and Torres Strait Creole (TSC) as well as minority dialects such as Australian Aboriginal English (AAE), and discusses possible resolutions.

Teaching creole-speaking children | John Benjamins
Many Indigenous children, however, come from creole-speaking backgrounds where their home language may share features with the school language whilst remaining substantially different in other ways. What often makes this situation more challenging is the tendency to view creole, rather than as a different language, as a kind of deficient version of the standard language.
