Looking for a preview? *We know by now that you have to work to get a girl to orgasm, and I mean a genuine orgasm. The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place." "I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just want to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves." "If you're successful here, then the chances are that she won't have anything to say - she will quite literally become speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do." *Want to know more and learn 101 exciting sex positions? You know what to do.

Are you tired of bang-bang quickies and want to try something new? It's easier said than done to level up your sex life. Life is stressful, and breaking out of the old sexual routines is not easy. Having an exciting sex life with your partner is like a glue that brings you closer to each other. The better sex you have, the more intimate you are, and the better the relationship. If you feel like it's time to try something new, tantric sex might be it. Tantric sex slows things down and focuses on connection and sexual energy. It's a higher level of sexual ecstasy that is much more than just penetration. In this book, you learn the basics of tantric sex, including its history (it's a 5000-year-old practice), how to get started, basic positions with illustrations, and much more. After learning tantra, some men and women experience multiple long-lasting orgasms for the first time in their life. Are you ready to try?

Redesign your sex life with this tongue-in-cheek architecture and design-themed take on the Kama Sutra. 'Trust Me', 'Eames it in' and 'Get an Eiffel' are just some of the sexual postitutions listed in this architecture- and design-themed take on the Kama Sutra, the ancient Indian Hindu guide to love and sex. Le Corbusier coined the phrase 'machines for living' in his book, Towards an Architecture in 1923. Sex plays a large role in society and everyday life. So why is it so often overlooked when an architect designs a building? Miguel Bolivar's tongue-in-cheek sex manual uses witty descriptions and annotated scale drawings to demonstrate various sexual positions, all inspired by iconic buildings and often incorporating surprising uses for designer furniture. The Archisutra builds on the work of Vitruvius, da Vinci and Le Corbusier in pushing the idea that buildings should be designed around human life.
