Rebecca D. Cox draws on five years of interviews and observations at community colleges, where she shows how students and their instructors misunderstand and ultimately fail one another, despite good intentions. Eye-opening even for experienced faculty and administrators, The College Fear Factor reveals how the traditional college culture can actually pose obstacles to students' success, and suggests strategies for effectively explaining academic expectations.

Covers the most frequently asked and tested points on the pediatric board exam. Each chapter offers a quick review of specific diseases and conditions clinicians need to know during the patient encounter. Easy-to-use and comprehensive, clinicians will find this guide to be the ideal final resource needed before taking the pediatric board exam.
