## ~~Linguistics For Students Of Literature~~ Sofaer

Linguistics is the study of language- the different constituents that make up a language, its phonology, structure, semantics and more and all these aspects are reflected in linguistics thesis topics. Global linguistic studies are based on the differences and similarities between languages and how these differences have come to exist.

## ~~English Literature and Linguistics + Bangor University~~

Intro. This degree explores the human capacity for language from the perspectives of how language works and is structured as a system (linguistics), and how it is used as an expressive tool by writers, including poets, novelists and dramatists (literature). Combining the science and art of language will help you develop skills required to make a sophisticated critique of the written and spoken word.
