South Africa has been a key player in efforts to prevent the illicit trafficking of small arms and light weapons and to ensure better regulation of their legal use. This publication details the experience of, and approach adopted by, the South African National Defence Force (SANDF), which has destroyed 260,000

small arms as part of Operation Mouflon since 1997. These destruction and verification efforts were carefully planned and implemented to ensure that the safety and security of personnel was maintained and that the weapons were rendered unusable. It is hoped that this case study will provide valuable guidance to planners

scales, Carl teaches how to play lines with strong melodic content. By approaching melodies through intervals and chord qualities, infinite lines can be generated. Carl stresses the importance of collecting lines that can be used in improvised settings. These lines and examples will provide outstanding material for any

1880 to World War I, sweeping changes in technology and culture created new modes of understanding and experiencing time and space. Stephen Kern writes about the onrush of technics that reshaped life concretely--telephone, electric lighting, steamship, skyscraper, bicycle, cinema, plane, x-ray, machine gun-and the cultural

innovations that shattered older forms of art and thought--the stream-of-consciousness novel, psychoanalysis, Cubism, simultaneous poetry, relativity, and the introduction of world standard time. Kern interprets this generation's revolutionized sense of past, present, and future, and of form, distance, and

direction. This overview includes such figures as Proust Joyce, Mann, Wells, Gertrude Stein, Strindberg, Freud, Husserl, Apollinaire, Conrad, Picasso, and Einstein, as well as diverse sources of popular culture drawn from journals, newspapers, and magazines. It also treats new developments in personal and social

relations including scientific management, assembly lines, urbanism, imperialism, and trench warfare. While exploring transformed spatial-temporal dimensions, the book focuses on the way new sensibilities subverted traditional values. Kern identifies a broad leveling of cultural hierarchies such as the Cubist breakdown

of the conventional distinction between the prominent subject and the framing background, and he argues that these levelings parallel the challenge to aristocratic society, the rise of democracy, and the death of God. This entire reworking of time and space is shown finally to have influenced the conduct of

diplomacy during the crisis of July 1914 and to have structured the Cubist war that followed.

Having recently discovered that there is a whole segment of the male populace who like their women large and bold, Jennifer Rose has finally learned to be comfortable

with the fact that she is full-figured. To celebrate, she decides to take a walk on the wild side. The moment she spots the tall, blonde, handsome Rick Markham at a charity bachelor auction, her libido slips into active overdrive. Although she's been hurt in the past, she determines to get more for her money than dinner and pleasant
