Prairie Preacher tells the story of a young Lutheran pastor who accepts his first call to a church in central North Dakota in 1955. Byron Ellison is assigned there for one year, at the end of which the congregation will vote to keep him on permanently. The year is full of trials and hardships for the rural church, even threatening its very existence. Pastor Ellison has much to learn about becoming an accepted member of the provincial area. He makes mistakes while helping his congregation deal with prejudices and the trials of life. He makes many good friends and at least one staunch enemy. The young man grows in faith as he is often tested. With humor and through tears, he grows in understanding about trust, forgiveness and acceptance as he shares tears and joy with his best friend and neighbors.

Provides a guide to the Mercury outboard motor, featuring step-by-step illustrated procedures, troubleshooting, and wire diagrams.

The first edition of Outboard Engines set the standard for a clear, easy-to-follow primer on engine basics, troubleshooting, care, and repair. This new edition, significantly expanded, brings the subject up to date, with full coverage of the new four-stroke engines, conventional electronic and direct fuel-injection systems, oil-mix systems in the new clean two-strokes, and more. You'll save time and money doing your own engine repairs and maintenance.

General information, timing, maintenance, ignition, trim and tilt, remote control, fuel injection and other topics about outboards.
