Those who serve us with poison will eventually swallow it and poison themselves."Vladimir Putin, President of Russia" And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every free man, hid themselves in the dens and in the rocks of the mountains."Revelation 6:15

This book is devoted to a study of the Jasad, whom the Prophet-King Solomon (alayhisalam) saw sitting on his throne, and the first problem we encounter in this study is that neither the Qur'an nor the Prophet Muhammad's (sallallahu 'alayhi wasallam) Hadith explain who this Jasad truly is. This book has, therefore, been written with the specific purpose of inviting a scholarly response to this subject of the Jasad, from those who defend the salafi methodology, as well as those who defend the methods by which the Qur'an is studied in the Dar al-Ulum...Imran N. History began with a Divine warning not to approach a forbidden tree of lust to rule over others. History is ending with that new actor on the stage of the world displaying an unprecedented imperial lust to rule the world. That new actor possesses power unprecedented in human history and has already used that power through Gog and Magog to spread himself out in all directions as he took control of the world. He then proceeded to liberate the Holy Land for the Jews, to bring them back to the Holy Land to reclaim it as their own two thousand years after they had been expelled from it by Divine decree, and to restore in the Holy Land a State of Israel. That mysterious new actor is now preparing the way for Israel's Pax Judaica to replace USA's Pax Americana. This pioneering book on Islamic Eschatology has identified that strange and mysterious new actor who occupies center-stage in the world in the End-time, and who brought modern western civilization into being, as Dajjal the false Messiah.

'Dreams in Islam' is a subject which is located in knowledge internally received, and its supreme importance for the believer continually increases as the world grows in godlessness and as the historical process draws to a close. The Prophet (sallallahu 'alaihi wa sallam) said: "When the time (of the end of the world) draws close, the dreams of a believer will hardly fail to come true, and a dream of a believer is one of the forty-six parts of prophethood." One of the signs of the last age, i.e., before the end of the world, is the absence of knowledge (of Truth and, therefore of Islam). Our widespread ignorance of the subject of 'Dreams' and the important place which 'Dreams' occupy in Islam, as well as the widespread ignorance of the subject of the Prohibition of Riba in Islam, is yet another indication that the last age has arrived! The Sufi epistemology recognizes that knowledge comes from two sources- the first is knowledge that is externally acquired, and the other is knowledge that is internally received. The Sufi epistemology, which was taught by our great teacher, Maulana Dr. Muhammad Fadlur Rahman Ansari (rahimahullah), at the Aleemiyah Institute of Islamic Studies in Karachi, Pakistan, is the epistemology of knowledge internally received, and we hasten to inform the gentle reader that this book is based on that epistemology.

Jerusalem in the Qur'an made its debut at a crucial time when the morale of the Muslims was not only at its lowest... but is continually sinking... The blatant incessant Israeli incursions in the Holy Land go unabated, and Muslims are echoing the very words that their fellow brethren called out unto their Lord when they were being persecuted at the hands of the kuffar of Makkah: "When will the help of Allah come?" Shaikh Imran's insight into the events that are unfolding in the world today is a source of inspiration for Muslims for he convincingly argues from his scholarly interpretations of the Divine Writ (i.e., the Holy Qur'an) and the Ahadith of the Prophet Muhammad (sallallahu 'alaihi wa sallam) that the help of Allah (subhanahu wa ta'alah) is at hand, that the Holy Land will be liberated, and that Islam will re-emerge as the 'Ruling State' in the world. The reader will be enthralled by the author's grasp on world politics. Jerusalem in the Qur'an comes as a ray of sunshine for Muslims and is an eye-opener for the so-called 'People of the Book'. Though Jerusalem in the Qur'an is a meticulously written thesis combining religious and historical documents with recent political events and penetrating interpretations from the Qur'an and Hadith, it runs like a story. Once you begin reading it, it is hard to stop ... it is a reference that one needs to keep and re-read whenever the subject is to be researched. The book gives a detailed beautifully written exposition of these episodes with brilliant interpretations from the Holy Qur'an and Sunnah. No one would fail to appreciate his penetrative thought and his spiritual depth.

This is a very in depth account of what the Russian government believed was going on during the decade just before the war and the war as it progressed in the first two years. Key events such as the Russo-Japanese war is highlighted as well as the French and English alliance they found themselves in. With a more 'western' identity moving in to the First World War, Russia believed that they were completely ready for the chance to splash back into the elite sector of Europe by becoming victors in this war. Written before the Bolshevik Revolution, this is a great look into pre-soviet Russia.
