Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Practical Workbook contains detailed interactive exercises such as fill-in-the-blank and matching, designed to reinforce learning and increase student comprehension.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Updated for easier use with the 2004 Edition of Milady's Standard Cosmetology, the Course Management Guide contains all the materials educators need in print version or CD-ROM. This innovative instructional guide is written with cosmetology educators in mind and is designed to make exceptional teaching easy. The format provides easy-to-use material that will transform classroom management and dramatically increase student interest and understanding.

Provides questions and answers similar to what is found on state licensing exams in cosmetology.

This newly revised workbook directly follows the information found in the student textbook. This popular supplement contains detailed, interactive exercises designed to reinforce learning and increase student comprehension, including fill-in-the-blank, word review, matching, and final review examinations. Carefully designed to help students get the most out of their textbooks, the workbook emphasizes key point of information that are most likely to included in state board exams.

Milady Standard Natural Hair Care and Braiding is designed to be the training resource of choice for individuals committed to nurturing textured hair and providing excellent natural hair care services.
