Research Methods English M P  
Research methods are

# Download Free Research Methods English M P Sinha

specific procedures for collecting and analyzing data. Developing your research methods is an integral part of your research design. When planning your methods, there are two key decisions you will make. First, decide how you will collect data. Your methods depend on what type of data you need to answer your research question:

Qualitative vs.  
quantitative: Will your data take the form of words or numbers?
