This is an excellent selection of the writings of Karl Marx. This includes many writings which do not make it into the usual Marx/Engels Readers; Writings including Marx's Letters, his criticism of Bakunin, more writings on economics than in the usual Reader, and so on. One flaw of it, though, is that it does not contain the later writings of Engels written after Marx's death.

Karl Heinrich Marx FRSA (German: ; 5 May 1818 – 14 March 1883) was a German philosopher, economist, historian, sociologist, political theorist, journalist and socialist revolutionary. Born in Trier, Germany, Marx studied law and philosophy at university. He married Jenny von Westphalen in 1843. Due to his political publications, Marx became stateless and lived in exile with his wife and ...

About this title. This second edition of McLellan's comprehensive selection of Marx's writings includes carefully selected extracts from the whole range of Marx's political, philosophical, and economic thought. Each section of the book deals with a different period of Marx's life, allowing readers to trace the development of his thought from his early years as a student and political journalist in Germany up through the final letters he wrote in the early 1880s.
