The Continuum Concept: In Search Of Happiness Lost ...

Jean Liedloff's book "The Continuum Concept" offers westerners a look at what the lives of contented and functional human beings look like. It offers much more, as well. The author refers to her time spent with Indians living in the Venezuelan rainforest as "unlearning," principally because the life of the people she found herself among was so clearly superior in every way to what she's known.

The Continuum Concept: In Search of Happiness Lost [THE ...

The continuum concept is an idea, coined by Jean Liedloff in her 1975 book *The Continuum Concept*, that human beings have an innate set of expectations that our evolution as a species has designed us to meet in order to achieve optimal physical, mental, and emotional development and adaptability. According to Liedloff, in order to achieve this level of development, young humans require the kind of experience to which our species adapted during the long process of our evolution by natural selectio

Continuum concept - Wikipedia

The Continuum Concept introduces the idea that in order to achieve optimal physical, mental and emotional development, human beings - especially babies - require the kind of instinctive nurturing as practiced by our ancient relatives. It is a true 'back to basics' approach to parenting.

The Continuum Concept (Arkana): Amazon.co.uk: Liedloff ...

Though not written as a child-rearing manual, *The Continuum Concept* has earned a reputation as an excellent resource for parents and parents-to-be who intuitively feel that the parenting "techniques" of the modern era are inherently misguided. It has also been helpful to many adults — parents and non-parents alike — who hope to recover the natural state of happiness lost as a result of the modern child-rearing practices of their well-meaning parents.

The Continuum Concept - by Jean Liedloff

This article defines the continuum and the life-cycle concepts. It explains what the continuum concept is all about and gives the benefits of the continuum concept in records management. Read Online The Continuum Concept In Search Of Happiness Lost Jean Liedloff

The records continuum, developed in Australia, is an indicator of the increasingly 'holistic' approach to records discussed earlier. It is '... a consistent and coherent regime of management processes from the time of creation of records (and before creation, in the design of recordkeeping systems), through the preservation and use of records as archives.' 5 It recognises that the processes carried out (separately) in the traditional records management domain and in the traditional ...

Record Continuum - an overview | ScienceDirect Topics

Recordkeeping is a practice and a concept clearly defined in the archival and records literature by continuum writers as "a broad and inclusive concept of integrated recordkeeping and archiving processes for current, regulatory, and historical recordkeeping purposes".
