The Red House Mystery is a classic "whodunit" set in an English country house. An eclectic cast of characters are gathered in the house when the owner's brother, recently arrived from Australia, is found murdered in a locked room. Two of the house guests take the investigation upon themselves and they wade almost playfully through the abundance of evidence and theories.

Megillat Esther is commonly referred to as the Book of Esther: but there is nothing common about JT Waldman's interpretation of this Biblical story. In what may be the world's first religious, scholarly comic book, Waldman tells the epic tale of exile and redemption in graphic form. When Esther, a Jewish woman, is made Queen of Persia she must keep her identity hidden, all the while maneuvering to save her people from annihilation. This is a story familiar to many Jews who have heard it recounted every year on the holiday of Purim. But readers of all backgrounds will be entranced by what artist Waldman depicts in his interpretation of the text. At once traditional and groundbreaking Megillat Esther will challenge secular assumptions about the Bible. Each page of Megillat Esther is a visual tour de force and features the Hebrew text with original English translation, as well as opulent drawings depicting the story of the Persian Queen. Traditional interpretations of the story are woven throughout the panels. Megillat Esther presents the reader with a topsy-turvey world in which fortunes reverse and nothing is what it seems. This vibrant, edgy retelling of a classic Biblical tale is sure to amaze and intrigue scholars and laypeople of all religions and comic book lovers alike.

A touch-and-feel story-in-rhyme featuring Gerald and other animals from 'Giraffes Can't Dance'.

Foreword by Minette Shepard The enchanting story of some of the most beloved characters in English children's literature!Winnie-the-Pooh and his friends from the Hundred Acre Wood, Piglet, Eeyore, Tigger, Kanga, Roo, Christopher Robin, and more!and the remarkable partnership between a writer and an illustrator that brought them to life, told for the first time in this beautiful volume illustrated with more than 125 full-color images from the Pooh series, never-before-seen sketches, artwork, family photographs, and memorabilia. Winnie-the-Pooh and his friends have enthralled generations of children and have become some of the world's most beloved characters. But before their adventures were captured in many millions of books published in nearly fifty languages, they started life in the 1920s as the product of a unique collaboration between author A. A. Milne and illustrator E. H. Shepard. They wove images and text together in a way that was utterly original for the time. It was a process that Shepard relished; he continued to create artwork for new editions until his death in 1976 at the age of ninety-six. This lovingly designed, full-color volume, which includes a foreword from Shepard's granddaughter, tells the story behind this remarkable partnership, and traces the evolution of Shepard's work, from his first tentative sketches to the illustrations we know and love, including the characters' later incarnations by the artists at Walt Disney Studios. A stunning and rare collection, filled with some never-before-published sketches and the first illustration of Pooh, The Art of Winnie-the-Pooh is a treasure trove of early art and an exclusive behind-the-scenes peek at the creation of Pooh bear and Hundred Acre Wood!direct from the artist's estate!that is sure to become a cherished keepsake for devoted fans and readers who grew up with these timeless characters.

Rex, a husband and father, makes an unintentional error. Will Rex get away with his terrible, taboo-busting mistake? This opening premise is the starting gun to a rollicking ride through London of the late 1980s and early 1990s, in a literary novel that focuses on human frailty, love, marriage, family bonds, gay sex, betrayal, alcoholism, illness and death. Although aspects of the novel are richly ironic and even comedic, it also deals with challenging themes, not least HIV/AIDS. Matt Bishop wrote The Boy Made the Difference because very few (if any) literary novels are set against the narrative backdrop of the HIV/AIDS crisis of the late 1980s and early 1990s, which had a profound and lasting impact on the gay community. All of the proceeds from the book sales will be donated to his late mother's charity - the Bernardine Bishop Appeal (part of CLIC Sargent - a charity that helps children, young people and their families who are suffering the effects of cancer).

Goodbye Christopher Robin: A.A. Milne and the Making of Winnie-the-Pooh is drawn from Ann Thwaiter's Whitbread Award-winning biography of A. A. Milne , one of England's most successful writers. After serving in the First World War, Milne wrote a number of well-received plays, but his greatest triumph came when he created Winnie-the-Pooh, Piglet, Tigger, Eeyore and, of course, Christopher Robin, the adventurous little boy based on his own son. Goodbye Christopher Robin inspired the film directed by Simon Curtis and starring Domhnall Gleeson, Margot Robbie and Kelly Macdonald. It offers the reader a glimpse into the relationship between Milne and the real-life Christopher Robin, whose toys inspired the magical world of the Hundred Acre Wood. Goodbye Christopher Robin is a story of celebrity, a story of both the joys and pains of success and, ultimately, the story of how one man created a series of enchanting tales that brought hope and comfort to an England ravaged by the First World War.

Stuffed animals though they may be, Pooh, Piglet, Tigger, Eeyore, and the rest have a reputation for dropping simple and timeless nuggets of wisdom and inspiration. Spanning decades' worth of unforgettable moments from Pooh and friends, this collection of the most memorable Winnie the Pooh quotes is the perfect gift for fans of Pooh.

A unique collection of Winnie the Pooh comic strips originally published in the Sunday newspaper from 1966 to 1986. Spend your days with everyone's favorite honey-loving teddy bear, Winnie the Pooh, in a series of fun, light-hearted comic stories. Follow along with Pooh through the Hundred Acre Wood in a variety of situations sure to have you smile, laugh, and fill you with delight. Share in candid conversations between Christopher Robin and Pooh, go on an adventure with Piglet, get into some mischief with Tigger, and don't forget to check in on Eeyore. Based on the classic character of Winnie the Pooh by A. A. Milne, this collection of vintage comic strips revives the timeless stories of humor, friendship, and heart, showcasing why Winnie the Pooh has become one of the most cherished characters of all time. Collects all of the Winnie the Pooh Sunday newspaper strips from 1966 to 1986.
